Experience

ADOptimal

March 2024 – August 2025

Strategy & Growth

Irvine, CA

- Owned strategic direction with the co-founder of a platform linking brands to college students and campus audiences.
- Built the go-to-market and content strategy, growing social engagement with a data-informed weekly posting cadence.
- Developed the brand partnership pipeline end to end, identifying, pitching, and structuring outreach to target sponsors.

Seva Collective

June 2024 – September 2025

Shift Lead

Irvine, CA

- Directed kitchen operations and food distribution across shifts, sustaining quality and on-time service at peak volume.
- Coordinated team members across prep, service, and cleanup stations to keep the workspace organized and efficient.
- Resolved workflow bottlenecks in real time under high-pressure service, keeping shifts on schedule and staff on task.

Leadership

Model United Nations, Woodbridge High School

June 2024 – June 2026

President

Irvine, CA

- Led and mentored 50+ delegates in research, negotiation, and public speaking, earning 15+ international awards.
- Set the annual competition strategy and training curriculum, managing logistics and budget for competitive travel.
- Grew the club's social media presence to promote conferences, recruit new members, and showcase competition results.

Research & Publications

"Academic Inequities within the Southern California Education System" | *Polygence*

March 2025

- Designed and executed an independent study of educational access disparities across Southern California districts.
- Synthesized district-level data into evidence-based findings comparing access and outcomes across school districts.
- Authored and published a formal research paper under the academic mentorship of Dr. Helen Wu of Duke University.
